## Summer Feeding Program

Trudy's Kids Cafe is a nonprofit organization that feeds children ages 0 to 18 years old for free. We are starting the Summer Feeding Program on June 3. We are planning to go door to door to bring food for your children. We cover Obion County, Weakley County, and Lake County. If you would like to participate, call Director Valeria Hyde at 731-446-2722 by April 30, 2024.

## Crime Victims' Rights Ceremony

The Third Annual National Crime Victims' Rights Week Ceremony for the 29th Judicial District on April 25, 2024 at 4:30 p.m. at Dyer County Pocket Park on the Square.

District Attorney General Danny Goodman, Jr. said this ceremony is designed to honor and remember those impacted by violent crime in the community. The program will feature speakers from the District Attorney's Office, victim advocates, and survivors who will share their stories, followed by a march around the courthouse.

Goodman said, "Whether you are a survivor, care about a survivor, work in the field, or just want to show your support, your presence is welcomed."

Victims' Rights Week is a time to renew our commitment to serving all victims of crime, to acknowledge the achievements in victim services, and to remember crime victims and survivors. Please help us observe the upcoming National Crime Victims' Rights Week by hanging the enclosed posters in a place where they can be seen by your staff and the community.

## Hopper honored at meeting

The American Red Cross recognized Lake County Commissioner Connie Hopper at its latest meeting on April 15.

Sarah Breazeale, Executive Director of the American Red Cross said, "Hopper is one of outstanding volunteers. She has been instrumental in Lake and Obion counties to ensure we are able to respond locally to disasters.

"Whether it's responding to large scale disasters like the tornadoes in December 2021, responding to home fires, or knocking on doors to ensure community members know about additional financial assistance available to them post disaster, Connie has done it all," said Breazeale.

# Last week's Eclipse viewing

Lake County was one of the best places in the state to view last Monday's Solar Eclipse. Many local people along with a large crowd of visitors to the area weren't disappointed by the view.

Ms. Sandy's "Play With a Preschooler" at Margaret Newton Elementary School was so much fun! Thank you, families, for coming out! We enjoyed seeing you all!

RETIREMENT PARTY - With standing room only, the community flooded into the senior center to show appreciation to long time city employee, Jackie Howell, with over forty years of service. He may decide he wants to chauffeur the seniors around in their own van every once in a while.

## Down Memory Lane Smile

BY JOYCE CAUGHN RHODES

Some more little chit chat that happened many years ago in the Wynnburg Grocery. Harry Lee said he remembers, "A customer came in and sort of walked to the back of the store. He stood there with his hand propped on items stacked there, nearly to the ceiling." As Harry Lee walked toward the storage room the customer asked, "Can you tell me where the flour is?" Hulon, a man who helped Harry Lee with different odd jobs in the store, walked to the storage room. He had been standing nearby. When Harry Lee got to the storage room, he saw Hulon, bent over, laughing. He didn't want the customer to see him laughing at him. The man who asked "Where is the flour?" Had his hand propped on one of the bags of flour. Hulon said, "Can you believe, he asked, where's the flour?" Sometimes, we can be searching for something and not realize it's right under our nose, like the time I searched everywhere for my sunglasses and they were on top of my head.

Harry Lee said he remembers Dan Throgmorton, a cousin and teacher, who had a sort of dry wit about him and he was always thinking up things to say. Well, he didn't have to think about them, because it just came naturally. Harry Lee said, "I remember one time when Dan was in the store, this fellow came in and it wasn't long before Dan had him cornered." Dan asked him, "Yancy, if eggs were three cents apiece, how many would it take to make a dozen?" Yancy stood there with a match stick, sticking out of each corner of his mouth. He crossed his arms, looked toward the ceiling and said, "Mr. Dan, you sure can ask some hard questions."

These are odds and ends of various memories with no particular order. This is another second hand memory. Harry Lee told me about this many years

ago and this memory was told to him, so I guess that makes it a third hand memory. His maternal grandfather, James Monroe Powers, was born in 1864 in Humphreys Co. and his grandmother, Ida Isabel Burton was born in 1875 in Benton Co. They raised four girls and 3 boys in Lake Co. Ida died in 1912 giving birth to twins and they died also. Most of the sons were hunters and their sons also. There was always wild game that some of them had killed and prepared for a meal. One day, Mr. James was visiting one of the family members and others had gathered for a meal. One of them called out, "Grandpa, stay and eat with us." So, he did. He sat down to eat and said, "This doesn't look and taste like chicken. The meat is too dark." One of the grandsons at the table spoke up and said, "Grandpa, that's not chicken, that's crow!" Mr. James pushed his plate back, stood up and looked around the table and said, "If my kids don't kill me, my grandkids will," and he walked out of the house with the sound of laughter trailing after him. There have been times when we goof-up, so to speak, and have to eat crow, but not this kind of crow.

One time, James Hearn stopped by the store. He asked Harry Lee, "Have you got some water around here?" Harry Lee told him, "There's a faucet outside, at the corner of the store." James got his water and drove off. He hadn't gone very far when he turned around and came back. "What in the world is in that water?" Is it going to kill me?" Harry Lee laughed and told him, "Well, it might be a little close to the gas tanks." Harry Lee had better water in the store, but this was his trick on James. James just laughed and said, "I'll know not to get water there, again."

These things happened in days long gone by. Isn't it great that we can recall little things, bringing a smile to help brighten our day? Perhaps reading this will bring a smile to your face.

The Lake County Middle School Band held tryouts last week for color guards for the upcoming year.

studies and wildlife encounters, participants will have the opportunity to engage in hands-on activities at Discovery Park of America this summer.

Don't miss out on this exclusive opportunity! The camp runs from July 8-July 12.

MR. & MRS. KENDALL - April 11, 2024, Jackson Kendall and Hailey Burrus were married by Mayor Cliff Berry at the City Hall in Tiptonville.

The rainy weather broke, and the sunshine shined all over us today as we trekked to the Memphis Zoo with our sister facility Signature Health Care Primacy. We had the best time, and we were able to spend some time feeding the giraffes. There was a baby giraffe that was born at the Memphis Zoo 10 days ago and his name is Fitz. We fed his mom Maliki and her sister Ali. What an adventure! We saw so many things and are still basking in all the beauty!

About the Jackson Purchase Historical Society: In 1958, a group of historians met in Murray, Kentucky led by faculty from Murray State University and University of Tennessee-Martin and formed the Jackson Purchase Historical Society to promote interest, study, and preservation of the regional history of the territory encompassed in the Treaty of Tuscaloosa, known as the Jackson Purchase. The society holds several meetings each year with a speaker on Jackson Purchase history and publishes an award-winning journal on local history. Members include a wide range of people who simply share a love of history and a love of the Jackson Purchase area.

Articles are welcome for the 2024 Journals and can be sent to the editor, Jim Humphreys, at [jhumphreys@murraystate.edu](mailto:jhumphreys@murraystate.edu). The editor would also welcome inquiries about topics, books for review, or offers to review a book. The Journal is free with membership. Copies of the Journal are available from the Jackson Purchase Historical Society, PO Box 531, Murray, KY 42071. The cost is \$15.90 including postage and sales tax. Anyone interested in Jackson Purchase history is welcome to join the JPHS.

**LAKE COUNTY PREVENTION COALITION UPDATES** - In February they held a free lunch for the community, and it went amazingly. In March they did "Honk if You Have Hope" in front of Dairy Queen. This also went quite well, with lots of honking and people seeing their information.

## United Way of West Tennessee launches Volunteer West Tennessee Hub

Jackson, Tenn. (Apr. 19, 2024) – United Way of West Tennessee is excited to announce the Volunteer West Tennessee Hub – an online database designed to connect local volunteers with service opportunities in West Tennessee. This platform is accessible to the community at no cost and will serve as the central hub of communication between organizations and volunteers.

Volunteers and any organization (e.g. churches, nonprofits, schools, etc.) in West Tennessee offering service opportunities are invited to register online at [VolunteerWestTN.org](http://VolunteerWestTN.org). Once registered, participants gain access to a network of service-oriented causes and individuals eager to contribute their time and skills.

"Through collaboration with First Lady Maria Lee's Tennessee Serves Initiative and Volunteer Tennessee's Tennessee Serves Network, the Volunteer West Tennessee

Hub provides organizations more efficient ways to connect with enthusiastic volunteers who share their vision," said Matt Marshall, President/CEO of United Way.

Key benefits of joining Volunteer West Tennessee include increased visibility of service projects and volunteer needs, efficient volunteer recruitment, enhanced community collaboration, and greater access to resources related to volunteerism.

"This volunteer portal will be a central station for accessing volunteer opportunities across the region," said Pat Ross, Senior Director of 211 and Volunteer Services for United Way of West Tennessee. "It will help people find opportunities that match their interests and skills, and we want to encourage everyone to get involved and make a difference."

"Volunteer Tennessee is elated that United Way has joined the Tennessee Serves

Network," said Hope Alexander, Volunteer Tennessee's communications and outreach manager. "Since we launched the Tennessee Serves Network in 2021, over 275,000 volunteer hours have been reported which equates to an \$8.75 million investment in Tennessee. By leveraging this network, West Tennessee will benefit from increased volunteer opportunities in 15 West Tennessee counties, and that is something we all should celebrate."

Registration includes creating an account and attending an onboarding session. Agency Manager training sessions will be available on Mondays at 2-3pm EST with recorded sessions available for those unable to attend.

Contact Pat Ross, Senior Director of 211 and Volunteer Services, for more information at [patross@unitedway.tn.org](mailto:patross@unitedway.tn.org).

## Curt Lynch named to Spring 2024 Beth Maloan Award

MARTIN, TENN. — Curt Lynch, a junior computer engineering major from Dyersburg, was named the Spring 2024 Beth Maloan Outstanding UT Martin Student Employee Award winner at a student employee luncheon on the campus of the University of Tennessee at Martin.

Lynch is a teaching assistant in the Math Learning Center through the Department of Mathematics and Statistics, where he has worked since the Fall 2022 semester.

"He is a tutor, and he is brilliant," said Dr. Steve Elliott, the interim chair of the Department of Mathematics and Statistics. "He is also calm, and when you're working with people and trying to teach them math — a lot of people struggle with math and have anxiety about math.

"Curt is a calming pres-

ence when he works with students and faculty — with anybody with anything. He worked for many years managing fast-food restaurants, and he deals with customers and employees and manages to handle all that calmly."

Elliott added that Lynch takes the initiative on a lot of things.

"He volunteered to visit GENS 101 sections to advertise the Math Learning Center," he said. "That was his idea. Nobody said, 'Hey, Curt, go do this.' He came up with that.

"He also wrote a piece of software for us to track attendance in the Math Learning Center and, again, it was his idea."

The Beth Maloan Outstanding Student Employee Award recognizes the UTM student employee with outstanding job performance, a strong commitment to the university and the initiative

**BETH MALOAN AWARD** — Curt Lynch (left), a junior computer engineering major from Dyersburg, was named the winner of the 2024 Beth Maloan Outstanding UT Martin Student Employee Award at a banquet held for student employees on April 10. Standing with Lynch are Maloan's sister, Jennifer Stroh of the UTM Office of Campus Recreation, and Maloan's father, Mike Maloan, the chancery court judge for Weakley and Obion counties.

to go above and beyond the job requirements.

Given in honor and memory of longtime employee and student advocate Beth Maloan, the award is presented each fall and spring and includes a \$1,000 cash award as well as an engraved plaque.

To be eligible for this award, the student must have been employed on campus for a minimum of one

year, must be a full-time undergraduate, and must carry a minimum cumulative grade-point average of 2.5.

The recipient will be selected based on problem-solving and decision-making skills, dependability, interpersonal skills and communication, teamwork, customer service, productivity, self-motivation and on- and off-campus working relationships.

## Cathead Biscuits

### Ingredients

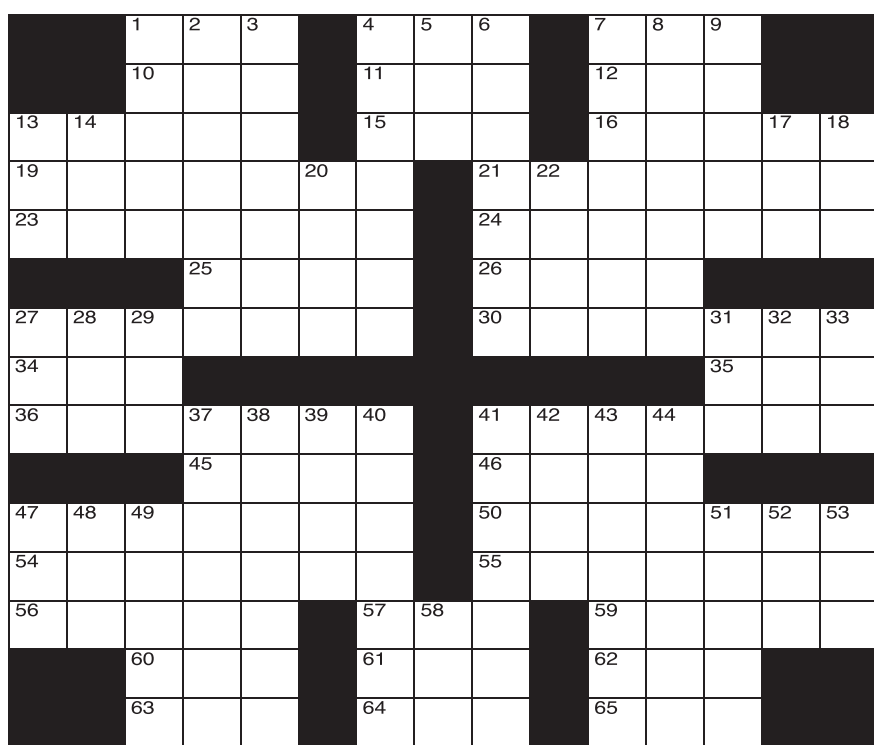

2 cups self rising flour  
 ½ tsp. salt  
 1 to 2 tbsp. shortening or lard  
 1 cup buttermilk  
 melted butter

### Directions

Preheat oven to 400°. Measure flour and salt into a bowl that has flour sprinkled in it. With a fork or spoon, cut lard into flour until it's crumbly (about pea size). Add buttermilk and using your floured hands. Lightly mix until a soft dough forms. Add a bit more flour

while mixing to keep it from being too sticky. Pull off pieces of dough and roll it in your hands to form dough balls. Grease a round pan thoroughly (bacon grease works well). Place biscuits in the pan touching each other. Bake 15 to 20 minutes. Brush melted butter on top. Makes about 6 to 7 biscuits.

**A Son Named Laughter (Isaac)**  
Genesis 21  
God fulfilled his promise to Sarah and Abraham.  
The Lord was gracious to Sarah as he had said and the Lord did for Sarah what he had promised."  
Genesis 21:1  
Sarah became pregnant and bore a son to Abraham in his old age, at the very time he had promised him. Abraham gave his son the name Isaac, which means "he laughs". When Isaac was eight days old, Abraham circumcised him as God commanded him to do.  
Sarah responded to the birth of Isaac by saying, "God has brought me laughter, and everyone who hears about this will laugh with me." She continued, "Who would have said to Abraham that Sarah would nurse children, yet I have borne him a son in his old age."

## DPA Partners with "Ride the Fault Line" to bring bicycle tour to Obion County

Discovery Park of America is partnering with organizers of the "Ride the Fault Line" bicycle tour to serve as "homebase" while participants are in Northwest Tennessee June 26 - 28, 2024. Cyclists will be taking advantage of their "nights at the museum" with private tours and presentations each evening. The final evening the group is in Obion County, June 28, coincides with the final night of Discovery Park's annual music festival, Rhythm on the Rails, which features live entertainment, a cash bar and food and beverages for sale. That night, the festival will also include a southern fish fry and entertainment on the Total Tech Solutions Stage by Emily McGill and the Roy Band featuring Brady Weldon.

"Ride the Fault Line" is a bicycle tour through Missouri, Arkansas, Kentucky and Tennessee. Participants stop along the way to experience a variety of attractions and unique sites. The 2024 ride takes place June 22 - 28 and begins in Sikeston, Missouri at the Hot Air Balloon Festival. It concludes on June 28 at Discovery Park.

"Every year, we learn

about the history of the New Madrid earthquakes of 1811-1812. This year, we'll actually be able to experience it in Discovery Park's earthquake simulator," said event organizer, Rodney McConnell. "This is now the only bicycle ride in the country where cyclists get to sleep amongst dinosaurs, vintage autos, a Titan missile and all the other amazing things on display at Discovery Park.

The list of other sites on the bicycle tour include the Piggot, Arkansas homestead where Ernest Hemingway wrote part of his novel "A Farewell to Arms." The Reelfoot Lake Wildlife Refuge and several historic sites from The Civil War.

"While we have been a stop on the ride in the past, this is the first time we've been a venue where the cyclist actually spend the night inside the museum," said Scott Williams, Discovery Park's CEO. "Having them here for the final night of Rhythm on the Rails is an added bonus."
